8th October 2018

Chief Adegboyega Oyetola,
Osun State

Dear Sir,

Congratulatory Message on your emergence as the Executive Governor of State of Osun

We the member of the APC-SA wish to felicitate with you on your recent achievement in winning the Gubernatorial election and a rerun election conducted on the 22nd September 2018. We followed the event keenly and saw that you had a victory at the election and defeated your closest rival, the candidate of the PDP, a testament to the firm believe that people repose in your leadership.

We wish to note that we are aware of your humanitarian services and community development effort in the State and the particular effort that you have brought to bear on economic development in State of Osun and save workers from being downsized as a public officer (Chief-of-Staff). We also know of your stint in the industry. We are not surprise at the outcome of the result of the primaries in view of the foregoing.

Specifically, we can assure you that the membership of the party in South Africa, especially our members from State of Osun fully support your aspiration and firm believe that as the Executive Governor of State of Osun, development of human and infrastructural resources will be your watchword. The citizens of the State believe in you and your reach is to the length and breadth, nooks and cranny in State of Osun.

While congratulating you on this achievement, we look forward to partnering with you especially in areas of agriculture, direct foreign investment, infrastructural development and engineering for the growth of State of Osun.

Please accept the assurances of our best consideration.

Yours Sincerely,

Engr. Bola Babarinde
Chairman
